

Storm The Beach

4th Annual DUC Charity Beach Tournament

July 7th, 2012

Presented By:

DAREDEVILDISCS.COM

The tournament will support a local charity and other than paying for the permit fees, all tournament fees will be donated. The games will start at 9:00 am sharp so if you play in the first game make sure you aim to be there by 8:15 so that you can find parking and walk to the beach. Captains should check in with Kevin or Derek at the white tent when they arrive. Bring your canned food to the tent when you arrive. We will be taking the canned food away at 10:30 am. If anyone arrives early, please feel free to help set up the field lines. If the tractor that rakes the beach is not finished early enough and we don't have enough time to set up the lines we will just use cones. We are fully permitted and once we set up the fields we do have the right to that space. If there are any problems please see us immediately.

Map:

Our google map has all of the key locations marked (Parking, and Field location):

<http://goo.gl/maps/9X1t>

If you are using a GPS, a very nearby address is (and is pinned on the map as well):

133 Bay St
Cobourg, ON K9A 1P4

Directions: (Assuming you are coming from the West)

Take the 401 to Hwy 45 in Cobourg (it is the second exit and is called Division Street) and head south. Once you hit King street you are pretty much there. Just head a couple more blocks South and you will see the beach. We will be playing at the far East end of the Beach so you want to try and park somewhere over there.

Parking:

There is all sorts of parking. The best option is to just pay for the day which is around \$8 (give or take). Free parking is located a few blocks away from the beach on some of the side streets. As you move closer to the beach it becomes meter parking, which probably isn't a good option, although since it is Saturday you may not have to pay for the meters. There are also free lots where you can only park for 2 or 3 hours so make sure you don't pick one of these. The beach and the parking lots will be very busy by mid morning.

What to bring:

2 different coloured shirts for your team to wear (light/dark)

Discs	beach chair	hat	big umbrellas
Sunscreen	towel	sunglasses	money for lunch
Water bottle	snacks	camera	

Food/Drinks:

Please note: in order to keep costs down, and to ensure the charities are receiving maximum benefit, no food will be provided. We will have water jugs available, thanks to our gracious water sponsor. You will still need your own water bottle to fill from the jug.

Other Things Available at the Beach

- Beach Hut – that sells burgers, fries etc (could be a big lineup)
- We will be providing some water jugs but there is also a water spout on the west side of the hut that can be used to fill up water bottles
- Water Park for kids (try to stay out of here unless you have children)
- Playground for kids, Washrooms at beach Hut and several small restaurants nearby, (no fast food)

Pub Event

Durham Ultimate Club has worked with The Cat and the Fiddle pub to put together a deal for event participants. Starting at 3:10pm, you can head over to the pub to take advantage of the deal:

- \$0.60 wings
- \$15 domestic pitchers

We've got the whole back patio booked, and there's lots of shade. We'll be doing a 50/50 draw there afterwards, drawing the number at 5:30pm.

Be sure to tell them you're with the Storm The Beach Ultimate tournament!

Rules & Tournament Structure

UPA (11th Edition) rules are used, except for the following:

- Each team will have 3 preliminary games within their pool. The top two teams from each pool will make it into the championship round and the bottom 2 will go into the consolation round. After the first three games the teams will be ranked from 1 to 16 to determine who they play in their next game. When ranking teams the order of the teams may be changed so that teams do not play against teams from their initial pool.
- All teams will play 5 games and the top 4 teams will play 6. (Oh and the top 2 in the consolation round will also play 6)
- Teams should do their post game cheers off of the fields unless they are quick.
- Captains must report their score to the scorer's table immediately following their game. Points are awarded as follows: Win - 3 pts, tie - 2 pts, loss - 1 pt as long as you report the score, loss - 0 points if you do not report the score before your next game. Feel free to text the scores to 905-439-6263 but make sure you include the team names and the proper score as follows (example: NUTS won 11-4 against Raisins)
- All games will be 30 minutes in length with no half times. If games start late then they will be shorter in length.
- Preliminary games end on the horn. Whatever the score is when the whistle blows is the final score. Even if it is a tie. This rule changes for playoffs.
- During the ¼ finals, Semi-finals and Finals when the horn blows to end the game finish the point. If this point results in a tie, play one more point.
- 6 on 6 (2 females and 4 males - If a team chooses to play 3 females the other team does not have to match)
- One 60 second time-out is allowed per game but not in last 5 mins. Please stay on field. Calling a 2nd timeout is a turn over.
- Foot Blocks are not allowed (Sand in the eye hurts too much),
- Bricks are 10 yards.
- The lines are out. In the case of a heavy wind and the tape being severely curved use the cones as your reference for in and out.
- Tie-breakers: head to head, most wins, points against, most points for and flip a disc.
- Please remember that this tournament is just for fun and all proceeds go to Charity!!
- Field are numbered from the east towards the west with Field 1 being the farthest east.
- ***Have fun and always maintain the Spirit of the Game!***
