All tournament proceeds over costs will be donated to our charity.

The games start at 9:00am sharp. If you play in the first game, be there by 8:15 so that you can find parking, get organized, **bring your canned food to the tent**. Captains: check in with Kevin or Derek at the tent when you arrive. We will be setting up the fields at 7:30am. We will definitely need help – so if you can make it that early – pitching in will definitely be a great contribution to the event.

We will be taking the canned food away at 10:30 am.

*We are fully permitted and once we set up the fields we do have the right to that space. If there are any problems please see us immediately.*

### **Map:**

Our google map has all of the key locations marked (Parking, and Field location):

<http://goo.gl/maps/9X1t>

If you are using a GPS, a very nearby address is (and is pinned on the map as well):

133 Bay St  
Cobourg, ON K9A 1P4

### **Directions: (Assuming you are coming from the West)**

Take the 401 to Hwy 45 in Cobourg (it is the second exit and is called Division Street) and head south. Once you hit King street you are pretty much there. Just head a couple more blocks South and you will see the beach.

### **Parking:**

Day parking is around \$8 (give or take). Free parking is located a few blocks away from the beach on some of the side streets. As you move closer to the beach, it becomes meter parking, which probably isn't a good option, although since it is Saturday you may not have to pay for the meters. There are also free lots where you can only park for 2 or 3 hours so make sure you don't pick one of these. The beach and the parking lots will be very busy by mid morning. Check the map above for parking.

### **What to bring:**

#### **2 different coloured shirts for your team to wear (light/dark)**

Discs	beach chair	hat	big umbrellas
Sunscreen	towel	sunglasses	money for lunch
Water bottle	snacks	camera	water

### **Food/Drinks:**

Please note: in order to keep costs down, and to ensure the charities are receiving maximum benefit, no food will be provided. We do not currently have a water sponsor, although there is a faucet on the west side of the Beach Hut to fill up from.

### **Other Things Available at the Beach**

- Beach Hut – that sells burgers, fries etc (could be a big lineup)
- There is a water spout on the west side of the hut that can be used to fill up water bottles
- Water Park for kids (try to stay out of here unless you have children)
- Playground for kids, Washrooms at beach Hut and several small restaurants nearby, (no fast food)

# Rules/Structure

## Tournament Structure

- The morning is a round-robin in your pool.
- Pool E has only 3 teams, while the others have 4.
- After ranking from the round-robin, the top eight teams will make it into the championship round, the next 8 teams will go into the consolation round, and the bottom 3 teams will go into a consolation round-robin round (C2).
- Teams in Champion and Consolation rounds will play at least 2 games and the top 2 teams in each will play 3. The C2 teams will play 2 games.
- When ranking teams, the order of the teams may be changed so that teams do not play against teams from their initial pool.
- Teams should do their post game cheers off of the fields unless they are quick. In order to speed play along teams can either do a quick cheer or just shake hands.
- **Captains must report their score to the scorer's table immediately following their game.** Points are awarded as follows: Win – 3 pts, tie – 2 pts, loss – 1 pt as long as you report the score, loss – 0 points if you do not report the score before your next game.
- All games will be 30 minutes in length\* with no half times. If games start late then they will be shorter in length.
- \*Pool E will get to decide if they want to do 40 minute games (to have the same play time as the other teams), or if they wish to do 1 hour games, with 30 minute halves. Start times will remain the same, regardless of choice. This will be left up to the captains to decide.
- **Pool games end on the horn.** Whatever the score is when the whistle blows is the final score. Even if it is a tie. Do not finish the point. This rule changes for playoffs.
- **During the quarter finals, semi-finals and finals when the horn blows to end the game finish the point. If this point results in a tie, play one more point.**
- **Tie-breakers:** head to head, most wins, *lowest points against*, most points for and flip a disc.

## Rules

UPA (11th Edition) rules are used, except for/in addition to the following:

- There is no maximum number of players per roster
- 6 players on the field per side
- Minimum 2 of each gender – the other team does not have to match ratio
- One 60 second time-out is allowed per game but not in last 5 minutes. Please stay on field. Calling a 2nd time-out is a turn over.
- No half time (the games are only 30 minutes, choose your side carefully)
- Marking foot blocks are considered fouls (sand in the eye hurts too much!)
- Bricks are 10 yards
- The lines are, of course, out. In the case of a heavy wind and the tape being severely curved use the cones as your reference for in and out.

Please remember that this tournament is just for fun and all proceeds go to Charity!!

*Have fun and always maintain the Spirit of the Game!*
